

FLOOR BOARD

PROTECTIVE
FLOOR COVERING

FloorBoard is a heavy-duty, non-adhesive covering for the protection of flooring during construction or remodeling. It rolls out quickly and easily to provide protection while allowing new floors to cure, and is safe to use on concrete, tile, wood, stone, linoleum, and vinyl.

FloorBoard is made of 100% recycled (95% *post-consumer*) materials, plus it's environmentally friendly and reusable!

** Roll Size - 38" x 100ft (317sq ft) 46mil*
